

# Druid Hills High School PTO

AN INTERNATIONAL BACCALAUREATE WORLD SCHOOL

Dear Druid Hills High School Parents and Guardians,

We all deeply care about the educational opportunities that are provided for our children at Druid Hills. Your involvement makes a real difference in what DHHS teachers and staff are able to offer our children.

The **PTO ENRICHMENT FUND** allows our DHHS teachers and staff to provide our students with exceptional educational and special project opportunities that are not otherwise included in the school budget funded by the Dekalb County School District. Giving to the Enrichment Fund helps ensure that our children continue to have essential educational opportunities beyond budgetary limitations.

In the classroom, the Enrichment Fund allowed Kendra Radcliff to buy novels for her English class -- something the County hasn't purchased for the school in over a decade. Math teacher Eric Winchester received funds to provide calculators to his students. The Fund paid for a replacement spectrum tube power supply for Roger Burr's science classroom, replacing the previous ancient version that smoked when he used it. Eva Van De Water was able to take advantage of professional development opportunities to enhance her classroom practice.

Outside the classroom, Zoe Rascoe was able to purchase books to start a new Project LIT chapter at the school, and the Fund paid half of this year's league dues for the DHHS Debate Team, ensuring that every student can participate.

These are just a few examples of what your donations can and do support!

The PTO has established three levels of sponsorship for the Fund:

**BRONZE \$75**

**SILVER \$150**

**GOLD \$300**

If you have already made a donation to the Enrichment Fund, thank you! You may increase your level of donation at any time and receive credit for previous donations. All donations are tax-deductible.

In the coming weeks, sponsors will receive car magnets that recognize their donation level. Sponsors will also be recognized in the DHHS weekly newsletter and website.

Many thanks for your support at any level!

GO RED DEVILS!

Your DHHS PTO Executive Committee
